Dear Anisha GHOSH,

Congratulations on your paper "SwitchAuthn: Trusted Hardware-Based Layer-2 Authentication to Prevent MAC Spoofing in Ethernet Networks" (#1571228884) being accepted for presentation at our conference. I am happy to invite you to present your paper in-person at the 40th International Conference on Advanced Information Networking and Applications (AINA-2026) to be held at Victoria University of Wellington in Wellington, New Zealand, from 8th to 10th April 2026. The conference website is available at https://voyager.ce.fit.ac.jp/conf/aina/2026/.

AINA is a well-established international conference with a 40-year history, bringing together leading researchers, engineers and industry practitioners working across networking, communications, cloud systems and advanced information technologies. The conference attracts a strong international audience, alongside researchers and students from all over the world.

You are responsible for costs related to travel, including accommodation and transportation. If you have any further questions or concerns that I can address, please feel free to contact me by email at jyoti.sahni@vuw.ac.nz.

Sincerely,

Dr. Jyoti Sahni
